FINISH THE COMIC

You decide what happens next.

One day Terry was feeding the sharks when a terrible thing happened ...

Look out, Terry! Behind you!!

Shh! Don't interrupt me. I'm trying to feed the sharks.

The comic panel shows Terry at a table feeding sharks. A boy is shouting from behind him. The scene is set outdoors with a building in the background.

The rest of the comic strip consists of five empty panels for the reader to complete the story.

SPOT THE DIFFERENCE

Eight things are missing from the bottom picture. Can you find what they are and draw them back in?

The image shows two identical comic panels side-by-side. Each panel depicts a town with a bus, a shop, and several people running. The characters have long, thin legs. The scene is set outdoors with buildings and trees.

The task is to identify eight missing items in the bottom panel compared to the top panel.

13-STOREY TREEHOUSE WORD SEARCH

When you have finished there should be 13 letters left over that spell out something to do with the story.

LET'S GO SHOPPING!

You, Andy and Terry have gone to Pinchy McPhee's Two-Dollar Shop to buy some bargains.

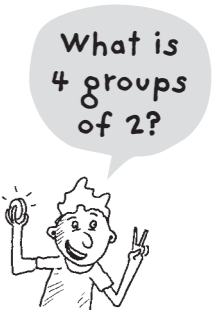

Find 4 things you would like to buy.

If every item you want is \$2 and you want to buy 4 items, how much money do you need to give Pinchy? Draw your coins in here and add them up:

			
---	--	--	--

I need to give Pinchy \$ _____.

You look in your pocket for some money to buy your items and you find \$11. Wait a second, this is *more* than you need! If you buy your 4 items, how much will you have left over? (What is 11 minus the amount I need to give Pinchy?)

I will have \$ _____ left over.

Andy wants to buy 6 items from the Two-Dollar Shop.
He has \$5 but he can't work out if he has enough money.
Can you help him?

Count up how much six \$2 items would cost.

					
---	--	--	--	--	--

$6 \times 2 =$

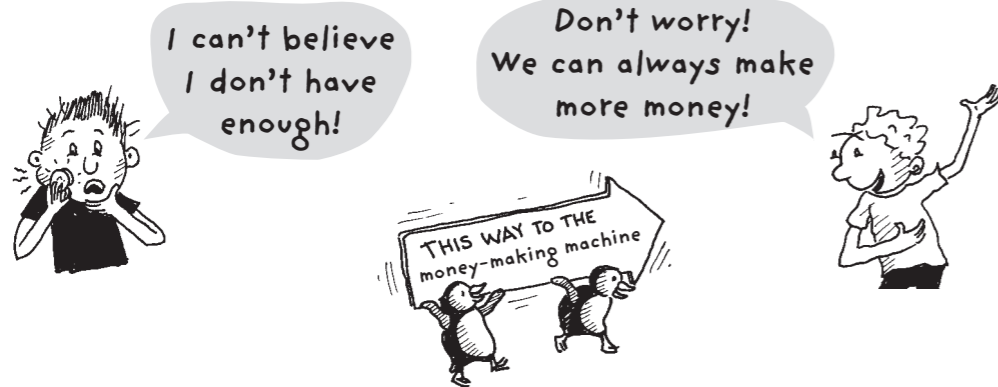

Does Andy have enough money?
If he doesn't, how much money does he need to buy what he wants?

How much
Andy needs

You, Andy and Terry race to the money-making machine to get
Andy the money he needs to buy the things he wants.

Circle the notes that add up to how
much extra money Andy needs.

Now, you can go back to the Two-Dollar Shop and Andy can buy what he wants!

DESIGN A PEN OR PENCIL

Pinchy McPhee has some amazing pens and pencils in his Two-Dollar Shop.

You can write upside down with this one and the ink doesn't dry up.

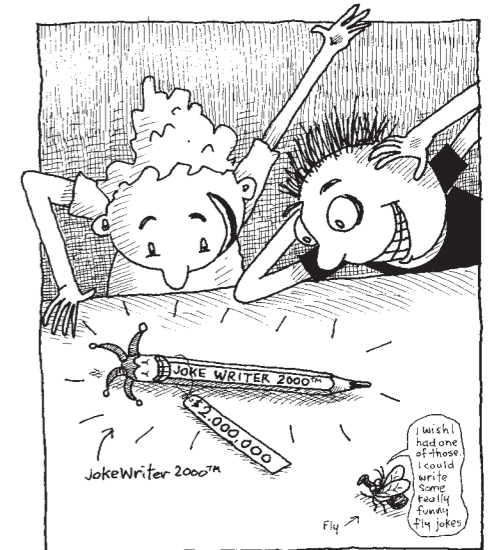

This one converts to a helicopter ... and all for a mere \$2!

Crab legs

Psst! This one writes with invisible ink. It's very good for spies!

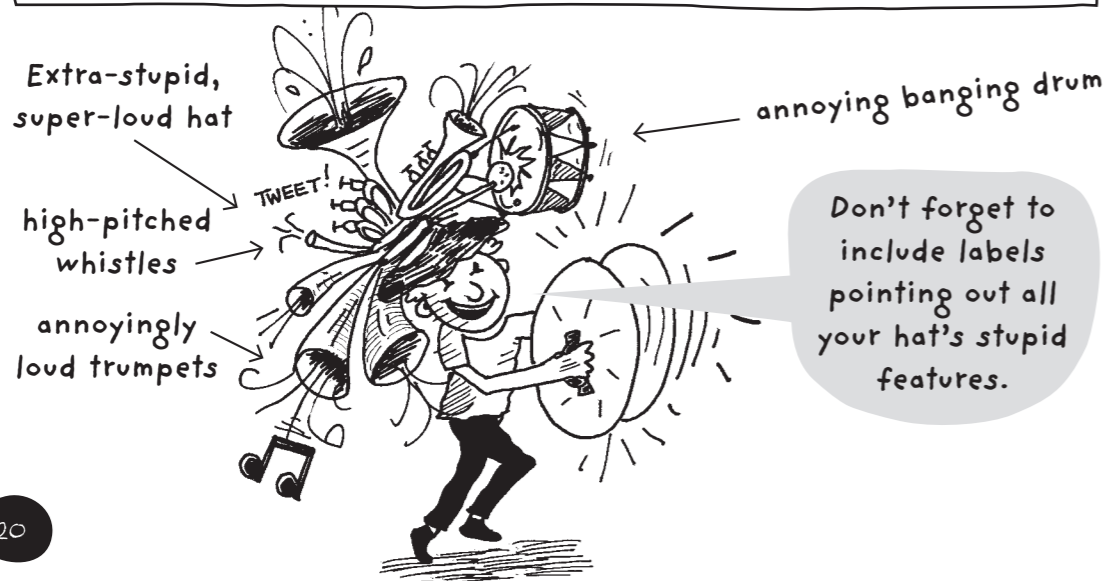

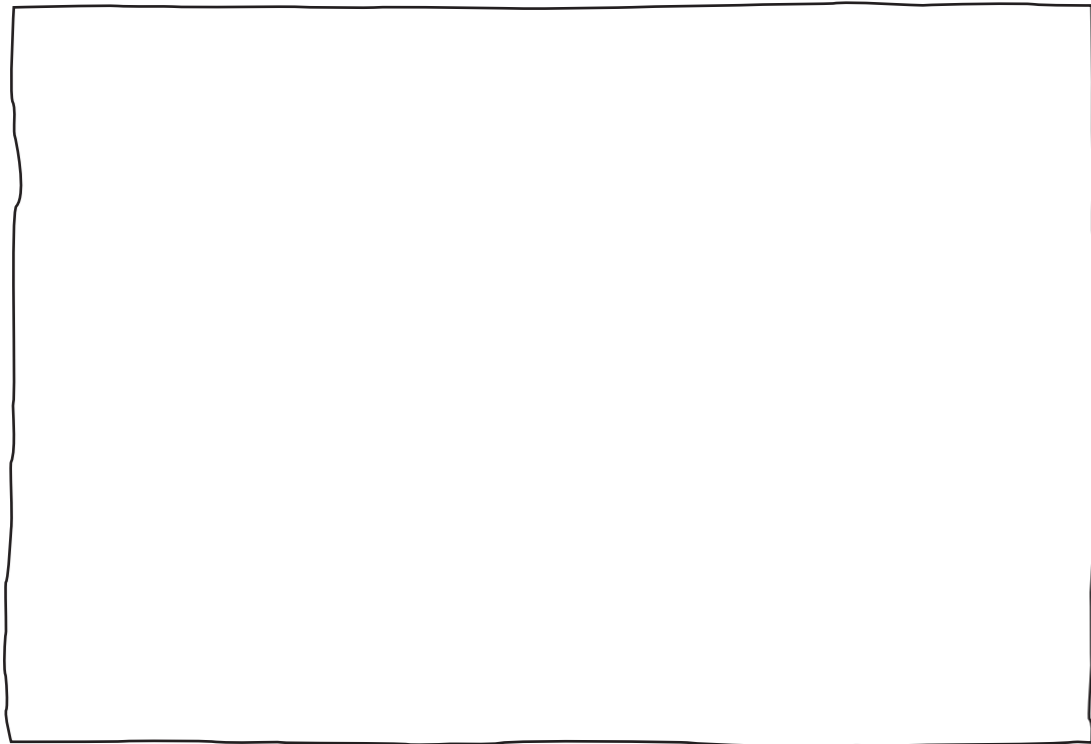

Design your own amazing pen, or pencil. What does it do? What is it called? How much does it cost? Draw a picture of it too.

DESIGN A STUPID HAT

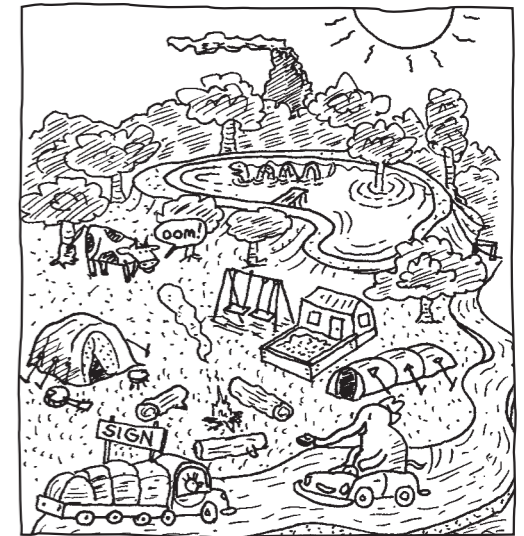

We have an amazing range of stupid hats on our stupid-hat level, including a bee-hive hat, an annoying cactus hat and even an exploding hat! Why don't you design a stupid hat of your own?

LET'S GO CAMPING!

It's fun to go camping on our camping ground level, and it's even more fun if Terry remembers to pack all the things we need. Are you good at remembering things? Study the list below, then turn the page.
